## COMPANY OVERVIEW

### What Zeila does

Zeila Solutions works with suppliers to identify products that fit government procurement opportunities and commercial buying channels.

Our focus is straightforward: review product fit, support sourcing activity, and help position qualified products for the right channels.

## PRIMARY CATEGORIES

IT HARDWARE

OFFICE SUPPLIES

ELECTRONICS

INDUSTRIAL EQUIPMENT

FACILITY SUPPLIES

COMMERCIAL GOODS

## CORE CAPABILITIES

- Product sourcing across brands, wholesalers, manufacturers, and distributors
- Procurement support for government and commercial buying channels
- Category reviews, supplier coordination, and fulfillment planning
